Your privacy is important to us. As part of the data protection legislation governing Ireland we are required to keep a record of your consent to process your personal data. Your personal data includes your name, email address, address and 'phone number. We will only keep your personal data for as long as is necessary, ie for as long as you are involved in the parish. It will not be passed onto any third parties without your consent.

Consent : From time to time we would like to contact you in relation to parish activities. Please tick the box if you consent to this.

If at any time you would like to withdraw your consent please contact the parish office or parish priest (contact details on the website).

Please note : A **permanent** entry will be made in the baptismal register of any person baptised in the parish, as required under the code of canon law. This is implicit in the acceptance of the sacrament of baptism (as a guardian, or as the person being baptised), and provides an important resource for future historical researchers.

Thank you for completing this form, and congratulations on your new child. On behalf of the whole parish we wish you many happy and busy years of family life. We hope to be here for you in a supporting role whenever possible.
