Archival parish records request form

The parish of Oughterard is in the throes of a major renovation programme that will prepare the parish church for the demands of 21st century ministry. As such, we are not able to provide non-essential services for free as may have been the case up to now. One such service that will incur a fee is referral to archival parish records for non-sacramental reasons. **A flat non-refundable fee of 25 euro per individual inquiry** may be sent by the paypal button found on the main page of www.parihofoughterard.ie or by cash/cheque with this completed request. This fee goes exclusively to the account for parish upkeep, to help keep our services to the community going.

Please be advised that data protection policy applies to our parish records. Requests may take 2-4 weeks to process.
